About me

I'm the bartender-turned-coder extraordinaire! Mixing drinks and mixing code — that's my game. From crafting cocktails to crafting algorithms, I've got the recipe for success. Currently, I'm shaking up the tech world at a programming bootcamp. Who knew bartenders could code, right? With a dash of creativity and a splash of determination, I'm ready to shake things up in the digital realm!

WORK EXPERIENCE

Maus Habitos (Porto)

Dominõs Bar (Albufeira)

Romando beach club (Porto)

Enoteca 17 56 (Porto)
